Genealogical Research Request Guidelines and Form
For Research Purposes ONLY

Name _____

Address _____

Telephone _____ E-mail _____

Please start your search at The Huntington Library's Early California Population Project online database. To access their database and accompanying User Guide, please visit their website here. While SBMAL can provide researchers with copies of sacraments, SBMAL does not have the staff or expertise to conduct genealogical research or translation services.

After compiling a list, along with this form, please submit a document with requested entries, either in the body of the email, if requested virtually, or in a Word Document or PDF. Requests should adhere to the following format:

- 1. MISSION/LOCATION. SACRAMENT. ENTRY NUMBER. NAME(S). DATE.
2. MISSION/LOCATION. SACRAMENT. ENTRY NUMBER. NAME(S). DATE.
3. ETC...

If any information in the above fields is not known, turn-around time may be longer. With all requests, please also note that SBMAL staff does not guarantee results. Some records are incomplete, poorly reproduced, or may no longer exist. Please contact SBMAL directly with questions about your specific project - research@sbmal.org.

Reproduction of materials from the collections of the Santa Bárbara Mission Archive-Library are requested with the understanding that these reproductions are for personal research purposes only and are not meant for publication.

Requests to use materials in publications must be submitted separately and a use fee will be assessed.

The applicant agrees to the conditions outlined in the Photocopying and Digital Reproduction Policies of SBMAL.
